

GlobeLife Seminar:

Equity in health for refugees and migrants – Challenges and opportunities

Monday 5th September, 2022, 2 pm – 4.00 pm (CEST)

Zoom: <https://ki-se.zoom.us/j/61842463275>

The number of refugees and migrants has increased during the recent years, as did the health inequalities amongst this group and between them and the host communities. The health of refugees and migrants is a global health priority. This GlobeLife seminar will explore challenges and opportunities in addressing health inequalities among refugees and migrants
